## Chartered Teacher Programme 2022- 2023

### Why Become Chartered?

Chartered Teacher Status recognises the knowledge, skills and behaviours of highly accomplished teachers and school leaders, focusing on developing and recognising high-quality teaching.

Each Chartered Teacher assessment unit has been purposefully developed to enable you to showcase your expertise in a meaningful way, aligned with your own needs, role, career stage and school context.

Undertaking the assessment units will help you to:

- deepen and demonstrate your knowledge and understanding of evidence-informed policy and practice, assessment, curriculum and pedagogy
- develop and apply your understanding of how to engage critically with educational research
- understand how teachers develop their practice and what effective professional learning looks like
- undertake an inquiry project in an area of your choice, to gain deeper insights into your teaching or leadership practices, with the ultimate aim to improve outcomes for the pupils you work with
- evaluate the impact of your practice and reflect on your professional learning at key points.

**Upon completion of all assessment units and following successful application, you will be conferred with Chartered Teacher Status. As a celebrated Chartered Teacher, you will be entitled to use the postnominals 'CTeach'**

### Working in Partnership with the Chartered College of Teaching

The Scarborough Teaching Alliance and Coast and Vale Learning Trust are working in partnership with the Chartered College of Teaching.

Over the past few years Scarborough Teaching Alliance and the Chartered College of Teaching have worked together to provide the Chartered Teacher Programme for local colleagues and we are happy to report 100% success rate.

## Chartered Teacher Programme 2022- 2023

### The Team

The Scarborough Teaching Alliance CTeach team are experienced in delivering support for the Chartered Teacher Programme.

Many members of the CTeach team have successfully completed the CTeach or CTeach (Leadership) programme or have supported the programme as a mentor, facilitator, assessor or research expert.

### The Programme

#### The Stages of the Programme:

- Registration
- Certificate in Evidence Informed Practice - 10 credits
- Professional Knowledge (Examination) Award - 30 credits
- Development of Teaching Practice Award - 20 credits
- Certificate in Education and Research Practice - 20 credits
- Applying for Chartered Status

More information about the Chartered Teacher Programme can be found in the Chartered College's Brochure. This can be found on the CTeach page of our website <https://www.scarboroughteachingalliance.co.uk/chartered-college-of-teaching/cteach-programme/> or the Chartered College website <https://chartered.college/chartered-teacher/>

In addition to the support provided by the Chartered College of Teaching, you will also have access to:

- a mentor with experience of the Chartered Teacher Programme
- support with your literature review from a member of our research team
- a Peer Inquiry Group for support, challenge and to celebrate successes
- termly information and support events
- our CTeach team to help with questions and concerns

## Chartered Teacher Programme 2022- 2023

### Eligibility and Fees

#### Eligibility Criteria:

To register as a Chartered Status candidate and begin working towards Chartered Teacher Status you will need to meet the following eligibility criteria:

- be a practising teacher or school leader working with pupils up to 19 years of age, in a school in the UK or a British International School
- be eligible for and hold current full membership of the Chartered College of Teaching, both whilst you are working towards Chartered Status and to retain your Chartered Status in future.

At the point of final application and award, you will need to have completed all Chartered Teacher Assessment Units and have a minimum of 3 years of experience as a practising classroom teacher.

#### Fees:

The cost of the programme is £895 and this includes the Chartered College of Teaching £634 fees for registration, assessments and accreditation.

### How to Apply

Our 2022- 2023 cohort begins in September 2022 with early registration and access to the Certificate in Evidence Informed Practice from May 2022.

To apply for a place on this programme, please email:
