

Paediatric First Aid Training

Date: Tuesday 21st April 2020

Time: 9.00am – 3.30pm

Venue: Newby & Scalby Primary School

Cost: £85pp (members) - £110pp (Non-members)

Target Audience: All staff working with EYFS children

This course is Ofsted approved and comprises an online theory session followed by a full day practical session.

Delegates will receive on-line learning resources to refer to **BEFORE** their training event and help with the theory side. This course has all the benefits of two days training condensed into a SINGLE day session which is great for busy EYFS staff in nurseries and schools. Prior to the live training, you can complete your online studies in manageable chunks and at a convenient time.

Aims & Objectives: The aims and objectives of the 12 Hour Paediatric First Aid course are to equip all attendees working within childcare with a sound knowledge and understanding of adult, child and baby first aid procedures. All attendees will also be able to recognise childhood medical conditions and carry out the correct emergency treatment required until medical professionals arrive to assist.

Course Certification: All successful attendees will be awarded a certificate which meets all the statutory requirements of EYFS and is Ofsted Compliant. This certificate is valid for three years.

If you wish to book a place please contact Natalie Moore - Alliance Administrator at scarboroughteachingalliance@childhaven.n-yorks.sch.uk
