

Sustained Shared Thinking & Emotional Wellbeing

The North Yorkshire Coast Opportunity Area is offering a fully funded 6-week programme of CPD based on the **Sustained Shared Thinking and Emotional Wellbeing (SSTEW) Framework**.

The course will combine theory sessions with two placement days. All taught sessions will be delivered in the evening at CU Scarborough to avoid the need for supply cover, and the Opportunity Area will fund supply cover for the two placement days that will be at Childhaven Community Nursery School, a lead school for the Scarborough Teaching Alliance.

On completion of the course practitioners will receive a Coventry University endorsed certificate of achievement.
